6+ Years at the Top of the Industry

XtreamForex was founded in 2015 with the vision of becoming a major player in the retail forex market. Since then, we have grown into one of the largest and most influential online brokers in the world.

We provide traders with access to top-tier liquidity, advanced trading platforms and tools, and award-winning order execution with no-dealing-desk intervention.

MISSION AND VISION

XtreamForex focuses to provide the finest advisory to transform your endeavors into benefits. We have an exceptionally master group offering great services with productive experience. We are constructing our path towards a successful, bright, and secure future for our company and are truly committed to building long-term relationships with our clients.

Ever since our establishment, XtreamForex has successfully expanded to serve retail and institutional clients in more than 70 countries - and we are still growing.

XtreamForex is duly incorporated and has filed articles of incorporation under the provisions of the Marshall Islands Business Corporation act on June 13, 2015 under the Republic of the Marshall Islands under license number 84516. and Xtream Markets LTD is serving under Cyprus security and exchange commission Law, by virtue of article 13(1) of the alternative financial services law of 2008 grant on 18-02-2017.

Segregated accounts: Our Client's funds are maintained separately from our company's operational funds, so it could not lead to any confusion in the future.
Negative Balance Protection: A negative balance occurs when the market is highly volatile which is often happens. Clients are not accountable for the negative balance. Hence, the company takes a whole and sole responsibility whenever stop-outs and margin calls do not function correctly.

Meta Trader 4

MetaTrader 4 is highly regarded, most popular trading platform worldwide.

Meta Trader 5

Meta Trader 5 is an advanced trading platform for enhanced trading experience.

Our Basic Asset Classes

Trade Forex , Indices, CRYPTO & CFDs with tight spreads, deep liquidity, and award-winning order execution.

Forex

Trade More than 60 Major, Minor and Exotic currency pairs. We offer tight spreads on forex CFDs for all major currency pairs and a wide variety of exotic currency pairs. Discover the potential benefits of online Forex trading with a global award-winning broker.

Cryptocurrency

Bitcoin, Ethereum, Ripple, Litecoin and more: A cryptocurrency is a digital form of money also known as crypto. They do not exist in physical form which makes them unique. Trade Cryptocurrencies with the Most #Trusted ECN Broker and benefit from tight spreads and fast order execution.

CFD Stocks & Indices

GLOBAL INDICES S&P 500, NIKKEI, DAX, NASDAQ

Choose from the world's most active indices which feature interesting and exciting stocks. Indices are a popular instrument because they are generally considered to average out volatility because they quote the price of multiple stocks.

Commodities

Gold, Silver, Crude, Natural Gas and more: Trading commodities like oil and gas is a great way to diversify your portfolio. Whatever your investment goals may be, make the most of today's market action and start trading popular oil and gas products with Xstreamforex.

Trading Account Types

XstreamForex Offers a wide variety of account types, all with highly competitive and distinct trading conditions, specifically designed to meet the needs and demands of all types of traders.
